Alan Burant CPA, CA, CBV

President, Burant Valuation & Business Advisory Inc.

Education and Achievements

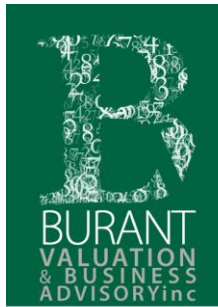

- ▶ Chartered Business Valuator, 2001.
- ▶ Chartered Professional Accountant, Chartered Accountant, 1993.
- ▶ Bachelor of Commerce – University of Saskatchewan – 1989.
- ▶ Gold Medal – Audit I Course (CA Alberta 1989).
- ▶ Bronze Medal – Tax I Course (CA Alberta 1990).

Responsibilities

- ▶ Mr. Burant is President of the valuation firm, Burant Valuation & Business Advisory Inc., leading valuation, financial modelling and financial/business advisory mandates. Prior to June 2017, Mr. Burant led the valuation and business modelling practice in Edmonton, Alberta and Saskatoon, Saskatchewan for one of the big four international accounting and advisory firms. Mr. Burant has provided professional valuation services for organizations in a diverse range of industries and for a variety of purposes, including litigation support (loss quantification analysis and quantification of business value), corporate reorganizations, purchase price allocations, goodwill impairment, succession planning, tax planning, and mergers and acquisitions.
- ▶ In addition to valuation and litigation support mandates, Alan has provided financial model build and model review services for many companies and government entities. This has included financial models for decision-making analysis, valuation, financial forecasting, cash flow predictive models, working capital management models and resource management models. This has included support to internal audit departments in the review of the logical integrity of financial models and the review of internal controls surrounding the model.
- ▶ Diverse industry experience in both regulated and non-regulated industries and in both public and private companies. Industry experience includes oil and gas, manufacturing, retail and distribution, liquor and gaming, power and utilities, agriculture, financial services, automotive, broadcasting, engineering and construction, high technology, life sciences, forestry, hospitality, professional services and transportation.
- ▶ Host internal and external professional development sessions to legal, accounting and valuation audiences on topics related to valuation, financial statement analysis, loss quantification and fair value accounting (ASPE, IFRS and US GAAP).

Areas of specialization

- ▶ Business or security valuation in the context of shareholder, matrimonial or other disputes.
- ▶ Analysis and quantification of value and losses due to commercial business interruption, expropriation, breach of contract and personal injury.
- ▶ Business valuation for financial reporting purposes including purchase price allocations and impairment testing for goodwill and intangible assets.

- ▶ Business valuation for corporate planning and tax planning purposes including corporate reorganizations and succession planning.
- ▶ Business valuations to assist mergers, acquisitions and divestitures including fairness opinions, valuations for due diligence and valuations to assist management buy outs and employee shareholder plans.
- ▶ Financial model build and model review to assist organizations with decision-analysis, forecasting, valuation and resource management.

Selected experience

- ▶ Over 25 years' experience in public accounting, including over 15 years focused on business valuation and loss analysis.
- ▶ Comprehensive experience in the preparation of expert reports with respect to business and security valuation in the context of shareholder disputes and transactions, matrimonial disputes, tax authority disputes, tax planning, corporate reorganizations, regulatory filings and acquisition and sale analysis mandates.
- ▶ Experience preparing expert reports in connection with various loss scenarios including business interruption, expropriation, breach of contract and personal injury.
- ▶ Preparation of numerous reports and analyses regarding fair value accounting in the context of purchase price allocations, intangible asset valuation, goodwill impairment analysis and valuation of financial instruments.

Professional and Community Involvement

- ▶ Chair of the Professional Development Workshop Committee of the Edmonton Chapter of the Canadian Institute of Chartered Business Valuators (CICBV) from 2003 to 2007.
- ▶ Committee member for the 2007 and 2009 CICBV Western Regional Conferences.
- ▶ Member, Alberta Expropriation Association.
- ▶ Registered Collaborative Financial Professional.
- ▶ Board Member, Treasurer and a founding member of the Legends of the Edmonton Music Scene Society.
- ▶ Past Board Member and Treasurer (2001 to 2007) and over 20-year volunteer, Edmonton Folk Music Festival Society.
- ▶ Committee member to adjudicate the Don Snider, Go Wildly Forward scholarship since 2014, given to a volunteer of the Edmonton Folk Music Festival.
- ▶ Radio host, music programmer and volunteer, CJSR-FM Community Radio (University of Alberta) since 2000.
- ▶ Member of the Society of Composers, Authors and Music Publishers of Canada (SOCAN).
- ▶ Member, Edmonton Jazz Society.
